The SUNY Brockport Barnes & Noble College Bookstore received a \$275,000 facelift this summer, which means your bookstore just got even better!

The redesign has included a modified store layout, new signage, and many interior enhancements. Custom murals, wood-like flooring, and bright yellow colors have really warmed up the store, making it an inviting place to shop. The new store also features large scale reproductions of book covers by SUNY Brockport faculty authors: Anne Panning, Ralph Black, Ken O'Brien, Bruce Leslie, Mary Jo Gigliotti, Gregory Garvey, William Heyen, and Steve Fellner. In addition, the new layout has allowed for additional registers for use during peak sales and buyback times.

A grand re-opening ceremony is taking place Wednesday, September 19 from 3 pm – 5 pm, with remarks at 4 pm. Then Thursday, September 20 the bookstore will be having an all-day celebration featuring specials and prizes throughout the day. The College community is invited to stop by and check out the redesigned space.
